

The IQS is opening a call for fellowships with a maximum duration of three years for Doctoral Studies at IQS to start in 2019.

### **TERMS AND CONDITIONS:**

Students who have studied an Engineering, an Undergraduate Programme and/or a Master's Degree at IQS and who enrol full time in the Doctoral Programme can request an IQS Fellowship that consists of an employment contract for a three-year period in accordance with the conditions established by the HR department based on the prevailing labour legislation.

Applicants must provide the following documentation:

- a. Printout of the Application
- b. Letter of intent
- c. Report of the research thesis project including the scientific objectives provided in the official scholarship application if it is different from the report provided in the admissions application to the doctoral programme. If you have not been able to present the application for the official fellowship, revise the report you have presented in your application to the doctoral programme so that it complies with the requirements specified in the terms and conditions of the official fellowships.
- d. Receipt of the fellowship application and rejection letter of official grants.

Applicants must apply for all the official grants and fellowships that are offered to which the candidate can access.

Concerning the annual renewal, IQS fellowship holders must provide:

- a. Printout of the Application
- b. Receipt of the fellowship application and rejection letter of official grants.

In accordance with the assessment of the candidates and the thesis project belonging to a priority line of IQS, at most 5 fellowships will be awarded to cover 2020. These fellowships are preferentially distributed in the following manner:

***1 fellowship for doctoral students in the IQS School of Management***  
***3 fellowships for doctoral students from Chemistry, Chemical Engineering***  
***and Bioengineering 1 fellowship for doctoral students from Industrial Engineering***

Applicants must turn in the application and present the documentation in the General Secretariat of IQS before 07 February 2020.

### **RESOLUTION**

The IQS Fellowships will be awarded as soon as possible after the resolution of the official pre-doctoral fellowships and grants. The IQS Fellowships will be paid out starting from the month following the resolution.

General Secretariat,  
December 2019
