Programa MIT Spain
Welcome to IQS School of Management

Voluntary activities in which you will live a transforming experience.

IQS Tech Factory will advise you to start your business idea.

Subjects in English in all programs. You can also learn other languages, such as German.
At IQS you will find students from all over the world. With more than 40 different nationalities you can enjoy a multicultural experience!

Masters with compact schedules so you can combine them with other activities.

The curriculum includes master classes of visiting professionals that will bring you closer to the practices that are currently carried out in companies in the sector.
The Master in Global Entrepreneurial Management (MGEM) is offered jointly with the University of San Francisco (USA) and the Fu Jen Catholic University in Taipei (Taiwan) and involves a unique experience in the sphere of global markets.

You will be trained in management and administration of companies and organisations, with a strong emphasis on innovation and entrepreneurial spirit. Once you have completed the program, you will be ready to assume management and leadership responsibilities in companies and organisations in international markets.

Duration and Academic Workload
12 months
60 ECTS credits

Consulting Projects
3 ECTS credits

Full-time

This Master has been recognized in the 8th position in the Master in Management ranking according to the Times Higher Education and The Wall Street Journal.

Honourable Mention awarded to the International Master’s Program (IMP) by the regional government of Catalonia, which recognises the Best International University Master’s Programs.
The MGEM is a unique experience in the world where you have a one-year full-immersion global business experience. At the end of the program you will be ready to create or to join a company or institution in a global environment.”

Prof. Carlos Malet, PhD
Coordinator of the Master in Global Entrepreneurial Management
carlos.malet@iqs.url.edu

Student profile

The Master in Global Entrepreneurial Management is aimed at students who have completed a bachelor program in the areas of business, economics, management, engineering or similar.

• The candidates must possess and understand knowledge in the different areas of the business world.

• The Admissions Committee will be responsible for deciding if candidates are suitable to enrol in the Master Program or if they need to undergo complementary courses to meet the admission requirements.

• Candidates must provide evidence of a TOEFL 80 Internet Based Score or its equivalent IELTS or TOEIC.

Program highlights

Take advantage of three Professional Careers Services and become Alumni of the three institutions

Participate in consulting projects and corporate visits to learn international business practices

Immerse yourself into a global business environment. Experience Barcelona (Spain), Taipei (Taiwan) and San Francisco (USA) in one year

Acquire an international experience in a multi-cultural setting: it has been ranked by the Financial Times 2018 ranking as the best Master’s Degree in Management worldwide

Gain insights from leading experts. Build your global network
Master in Global Entrepreneurial Management

Curriculum

- The MGEM is highly practical, as it includes:
  a) Courses involving applied methodologies
  b) Practical case studies
  c) Business visits
  d) Guest speakers
  e) Consulting projects

- Taught entirely in English.

- The number of places is limited to 45 students.

- The consulting projects and business plan work are developed throughout the entire academic year at each of the three Universities.

- At the end of the program while at the University of San Francisco, you can apply to complete an internship in companies in the USA.

Educational Axes

1. ENTREPRENEURSHIP
2. STRATEGY
3. CROSS-CULTURAL MANAGEMENT
4. GLOBAL BUSINESS
5. MARKETING

FU JEN CATHOLIC UNIVERSITY (TAIPEI, TAIWAN)

JANUARY - APRIL

CORPORATE OPERATIONS AND FINANCE IN A GLOBAL CONTEXT ECTS
Operations Management and Supply Chain Management with a Global Perspective 3.5
Corporate Finance with a Global Perspective 3.5

Entry Barriers and Strategic Alliance 3.5
Research of Special Topics in Global and Social Entrepreneurship (Business Plan) 15

Collaborating companies
(Consulting Projects & Company Visits)

The methodology is based on the development of multiple study cases and projects in groups. Furthermore, throughout the program the students manage consulting projects in conjunction with businesses that operate in global markets. Some of the collaborating companies are:

By sector
Join companies on the three continents with which you have interacted, providing you with an excellent opportunity to enter the job market or start your own business.

By professional profile
- Management and administration of companies and organisations with presence in global markets
- International Management Consultant
- Marketing Executive
- Multinational Manager

Career opportunities

IQS places at your disposal its Professional Career Service, a service that helps students to apply for job opportunities. You will also be part of the employment exchanges of Fu Jen Catholic University and the University of San Francisco.

I wanted to develop a global mindset and that is why I enrolled the MGEM Program. It was my chance to understand international business best practices, and the operation of global markets. All of that while I was travelling over the world and meeting great people. People who became a valuable professional network at a later stage. Nowadays, I can say it was a great experience that I would definitely recommend to anyone. The MGEM clearly prepares you for a global career.”

Delfí López Queraltów
Master in Global Entrepreneurial Management Alumni.
Class of 2011-2012.
Currently working as CEO in Monocrom.
Access to the Labour Market

100 % of students undertake internships in private companies

+ than 500 collaborating companies

90 % of IQS graduates find a job in less than 2 months

FORO DE EMPRESAS IQS

Every year, IQS and Fundación Empresas IQS organize the IQS Business Forum, an event in which students come into direct contact with the HR departments of the companies that attend and present their professional offers.

JOB EXCHANGE AND PROFESSIONAL GUIDANCE

- Driving tools for your professional career such as workshops, orientation on the presentation of your CV and competencies interviews.

- International job offers in the USA, United Kingdom, Germany, France, Belgium, Denmark, Ireland, among other countries.

- Use of social networks to build your personal brand.

Admission Process and Enrolment

Online pre-registration application at: www.iqs.edu/en/on-line-preregistration

Create an account and log in to iqs.edu

Documentation to upload:
- Transcription of records with an average grade in a scale 0-10
- One colour ID photo with white background
- Photocopy of valid ID card or passport on both sides
- Document accrediting the requested level of English to follow the Master
- For the pre-registration for the Master in Global Entrepreneurial Management: two letters of recommendation, personal statement, three passport size photos and the CV

You will have to pay a €100 fee for the application assessment (refundable in case of not being admitted).

If your access studies have been completed outside of the European Union, you will have to provide a letter issued by your university confirming that the title is official and allows you to access a Master in the aforesaid university.

Admission process

Once the study of your candidacy is resolved by the Admissions Committee, IQS will inform you of your admission through email and will specify the complementary information to the final resolution (for example, if you need previous training complements).

Seat reservation

The seat reservation is mandatory and guarantees the place in the chosen studies. In case of admission, you must make, from the pre-registration platform, the payment of the reservation fee of €1000 (or $3000 for the Master in Global Entrepreneurial Management).

The seat reservation payment does not represent any additional cost, since it will be deducted from the total tuition fees once the enrolment is done.

The amount of the reservation of seat is only returned in case the student does not meet the access requirements.

Master enrolment

The places will be granted to the admitted students according to the pre-registration order and the payment of the reservation amount.

IQS will assign a day and hour to make the enrolment once the reservation fee has been paid.
